### Armed Robbery Results in Arrest

**Riverside, CA** – On September 11, 2012 at approximately 2:50 p.m., Riverside Police Officers responded to a reported armed robbery in progress at the Radio Shack store, 5200 block of Arlington Avenue. Responding officers observed the suspect, armed with a handgun, running toward the rear of the business. The suspect scaled the perimeter wall of the retail center and entered the Archstone Apartment Complex, located south of the retail center.

As officers were converging on the complex, the 911 Communications Center received a call regarding an attempted home invasion of one of the apartments in the complex. Officers moved to this apartment and an assisting K9 officer located the armed suspect on the first floor patio. The suspect was apprehended by the K9 officer. A loaded handgun and the robbery victims' property was located on the patio.

The suspect was treated at the scene by AMR personnel and was subsequently transported to Riverside Community Hospital for additional treatment. The suspect refused to identify himself and efforts to learn his identity are ongoing.

Anyone with additional information is asked to contact Det. Sanfilippo @ (951) 353-7105.
